

**KENNY CHESNEY AND TIM MCGRAW TO REUNITE IN 2012 FOR THE 'BROTHERS OF THE SUN' TOUR
SPORTS AUTHORITY FIELD AT MILE HIGH TO HOST ON SATURDAY, JULY 21**

Kenny Chesney and Tim McGraw are reuniting for the 'Brothers of the Sun' tour playing 19-stadiums across the country this summer including a Saturday, July 21st performance in Denver at Sports Authority Field at Mile High.

The tour finds Chesney, who consistently has crowds "eating up his every word and move," joined by "master showman" (Huffington Post) McGraw for a once-in-a-lifetime experience.

"Tim and I have been great friends since we first toured together, and I can't wait to get back on the road with him," Chesney said. "He's one of my closest friends in music and in life, and I know this tour is going to be something special."

"Our friendship was forged on the road, so it's going to be a blast heading out with Kenny again," said McGraw. "We'll be having as much fun on stage as the fans will be having in the audience."

'Brothers of the Sun' will be the first time in 10 years that Chesney and McGraw have hit the road together and will also feature special guests Grace Potter & The Nocturnals and Jake Owen.

"We couldn't be more excited that Kenny is bringing the big stage with him to Denver this summer", said Andy Gorchov, stadium General Manager. This is Kenny's first visit to Sports Authority Field at Mile High but he's played stadiums for eight years now and has developed an incredible following in each city and especially among the fans of the team in each stadium. In 2011 he sold out shows at 8 NFL stadiums including a New England show that sold out in eight minutes!"

The announcement comes on the heels of Chesney's massively successful 'Goin' Coastal' Tour, which blew away more than 1.3 million fans, making it the year's biggest country tour. A four-time CMA Entertainer of the Year winner, Chesney will be honored at CMT's Artists of the Year event on December 13. "Reality," Chesney's fifth single from 2010's 'Hemingway's Whiskey,' was shipped to radio in October. t

McGraw is a three-time GRAMMY winner who has had #1 singles in each of the last three decades – 32 in total – including the title track of his most recent album, 'Southern Voice.' His 2010 tour in support of that album was the year's biggest country tour. "Felt Good On My Lips," from his double-CD 'Number One Hits,' spent three weeks at #1 earlier this year. McGraw is also an accomplished actor, having starred in films such as the Oscar-nominated blockbuster 'The Blind Side' and the critically acclaimed 'Friday Night Lights.'

Tickets for the Dallas, Philadelphia, Pittsburgh, Chicago, East Rutherford, Detroit, and Foxboro shows will go on sale Saturday, December 3 through Ticketmaster. On-sale information for the Sports Authority Field at Mile High show will be announced in the coming weeks.
