

Located at the South entrance of the stadium, the Sports Legends Mall is a tree-lined pedestrian thoroughfare. As the primary entry point to the stadium, Sports Legends Mall is enjoyed by an estimated one million visitors annually. Perfect for concerts, this area has a permanent stage designed to host entertainment for all events and is perfectly positioned at a slight elevation with the impressive multi-million dollar custom bronco statue serving as a backdrop. In addition there are substantial power, water and cable sources to support your event. Parking lots surround the area on two sides offering convenient access for groups. Sports Authority Field at Mile High can provide a tent to cover this area or a portion thereof, if you need. This area is a popular space for company picnics, festivals and tailgate parties.
